

YPP PILOT EVALUATION

What Worked & Why

Identifying at-risk young people early (prior to offending)

- ✓ Shared Definition: evidence based & co-designed
- ✓ Cross Sector Data Sharing to identify at-risk kids
- ✓ Qualitative Insights from staff working with kids

Collaborative Approach

- ✓ Common Goal, aligned to all agency priorities
- ✓ Shared Governance creating shared ownership
- ✓ Information Sharing for genuine collaboration
- ✓ Backbone Organisation to make things happen

Addressing Complex Needs to Prevent Offending

- ✓ Strong relationships between staff & client
- ✓ Tailored Approach, informed by clinical assessments
- ✓ Focus on Social Emotional Wellbeing & Life Skills
- ✓ Integrating cross-agency supports
- ✓ Intensive support to access existing services

What We Are Improving On

- Now we have tested to know what works best, **implement support consistently**.
- **Working within the education system** to improve engagement & attainment, not outside it.
- Improve the **transition process**, enabling independence with support available as needed.
- Strengthen partnerships with clearer responsibilities & **shared accountability** across all levels.
- Secure **long-term investment** to enable service continuity needed for kids with complex needs.
